

MOU締結記念講演

📅 9月21日 (木) 16:00 - 17:00

📍 2号館1001講義室

Language: English

PROF. BOK YAN, JIMMY SO

PROF. KOICHI SUDA

Professor Jimmy So is an internationally recognized surgeon and a pioneer in many novel surgical treatments in Singapore, including peroral endoscopic myotomy (POEM), intraperitoneal chemotherapy, and pressurized intraperitoneal aerosol chemotherapy. To commemorate the new establishment of MOU between NUS and FHU, Prof. Jimmy So and Prof. Koichi Suda will give lectures in the field of gastroenterological surgery.

LECTURE TOPIC AND DISCUSSION

Recent Advances in Management of Gastric Cancer with Peritoneal Metastasis

In this lecture, Prof. Jimmy So will discuss the recent preclinical and clinical studies on PC. In addition, translational research to identify better biomarkers and novel therapeutic targets for this deadly disease will be discussed.

Advancement in Robotic Upper GI Surgery in Japan

Da Vinci® S HD™ Surgical System (Intuitive Surgical) was introduced in 2009 for the first time in Japan. This lecture will discuss the road to approval for medical insurance coverage and expectations for telesurgical network.
